What is the Pittsburgh Model Railroad Jamboree?

It's a one day gathering of model railroaders where modelers can share their hobby with others, learn more about the hobby and have fun in the process! It is not, however, a train sale or show. Our event is different and features the activities listed below.

What goes on at one of these events?

There are a variety of activities. Some of the most popular are instructional seminars or clinics presented on a variety of topics. There are also model contests, space to display models you've built, a large raffle of high quality railroad items, the opportunity to meet other modelers, a buffet dinner and after dinner program. It's a way to learn more about railroading and meet others who have the same interests.

Do you have to be an NMRA member to attend?

No! But with the special offer above, everyone who qualifies can enjoy a trial membership and enjoy all of the local activities that nmra members enjoy year 'round! You'll get our local newsletter informing you of who we are and what is taking place locally.

What are the clinics you mentioned?

Each one runs an hour and there are about 12 different topics to choose from. They may include slide presentations, actual demonstrations and open discussion on a variety of prototype railroad subjects. The clinics are informal and open to everyone who attends. We will try to have a timetable available ahead of time so that attendees may plan out their day.

What model contests do you have?

We have three separate categories for models – Motive Power, Rolling Stock and Structure/Displays. Anyone may bring models to enter and judging is by popular vote of those in attendance. Plaques will be given to the winners in each category. Bring you models to share with others! Special contests may be added. See our website for details.

What other activities do you have?

A white elephant table will be available where everyone can bring items to sell. Bring any train related items you can find in your closet and we'll sell it for you for a small commission! There may also be small switching layouts in operation throughout the day. There will be space where attendees can gather, relax, and meet. Our local division will have it's "Company Store" open for modelers to purchase a variety of items. There's a little of something for everyone.

What about meals?

A lunch buffet is included with your registration along with coffee and doughnuts in the morning.

How formal is the banquet?

It's not formal at all. It's a buffet dinner that concludes the days activities. Dinner is followed by a brief awards presentation and after-dinner speaker. A great way to end a day of fun and friendship!
